

## WIRING HARNESSSES

The following 9 way wiring harnesses are available for the installation of instrument panels and electric gauges in a simple "plug-in" manner. The wiring harnesses are provided with molded plugs and the interconnecting harnesses are provided with a plastic corrugated shield for protection against chafing. All wires are color coded for ease of installation.

Part Number	Description	Plug Ends
240 201	Interconnecting harness 15 ft.	Male/Female
240 202	20 ft.	
240 203	30 ft.
